

## President's Message

Ken Keith, President

Email: [kwkeith@duke-energy.com](mailto:kwkeith@duke-energy.com), Tel: (864) 868-9686

June 2007

This issue of ARTEFACTS is mainly dedicated to the 2007 Artemis User's Association conference being held in Portland, OR. It contains the registration form, training courses, and presentation information. For detailed items concerning the conference visit the AUA website, it contains many useful and informative pieces of information for the conference including the registration form and hotel reservation information.

The 2007 AUA Annual Conference

**August 17-22, 2006**

Portland Marriott Downtown Waterfront

1401 SW Naito Parkway

Portland, Oregon 97201 USA

Phone: 1-503-226-7600

Fax: 1-503-221-1789

**Room Rate - \$129.00**

**Free Training - August 18-19, 2007**

**Conference - August 20-22, 2007**

The AUA executive council met this past May 5th in Austin, TX to interview and select a hotel for the 2009 conference, go over the plans for the 2007 conference in Portland and to seal the contract for the 2009 conference in Austin. The Austin Sheraton facility is a great place for a conference. The facility is located close enough to the downtown activity for walking or a short ride to the many local restaurants and entertainment.

A lot of plans have been put into place for the 2007 conference in Portland, OR. The training needs that were suggested by the attendees at last year's conference have been taken into consideration and this conference will utilize the same two hour format for the Saturday and Sunday training. The Tuesday night event promises to provide great entertainment and fellowship. I would like to suggest that you go to the AUA website and reserve your spot at this year's conference. Don't miss out on all the opportunities to see what's new with Artemis in the Solutions Center, hear what others are doing in their companies at the Presentations and informal chats with peers and Artemis personnel in between times. I hope to see you there!

Remember it is not too late to apply for one of the two \$1000 scholarships that are given by the AUA each year. Look for information in this edition of ARTEFACTS and on the AUA website for dates and details.

This year the President position and the Secretary / Treasurer position will be up for re-election. Please consider the opportunities offered by serving on the executive council.

**Artemis & the AUA:  
Climbing the Mountain of Success!**

## Free Time In Portland?

Wondering what do you do with your free time at this year's AUA Conference in Portland, OR? Here are a few suggestions and a hand full of web site to help you plan your trip.

For a little extra education, you could take in the "BODY WORLD 3" exhibit at the Oregon Museum of Science and Industry (OMSI) <http://www.oms.edu/>. This is only one of the many things to see at the OMSI. There is also the World Forestry Center <http://www.worldforestry.org/>. Here you will find out everything you wanted to know about forestry, but were afraid to ask. These and many other area attractions that are close to the conference site can be checked out at the official tourism web site for Portland, OR, <http://www.travelportland.com/visitors/visguide/pdx10.html>. Most of the destinations can be reached by the TriMet's 44-mile [MAX \(Metropolitan Area Express\)](#) offers train-to-plane service, and door-to-door access to one of the richest collections of visitor attractions. A 10-minute ride from downtown will deliver you to Washington Park station, the deepest underground transit station in North America. The stop, 260-feet below the Earth's surface, provides nearby access to Washington Park, the [Oregon Zoo](#), the Vietnam Veterans Living Memorial, Hoyt Arboretum and the [Portland Children's Museum](#).

After seeing the sites you will need to top off your free time by trying some of the local eatery's and washing it all down with one of the local fine wines or brews. Personally, I have taking a liking to local amber brew called **Dead Guy**, by **Rogue Ales Distillery** or Rogue Dead Guy as I like to call it. Some of the fine restaurants across the street from the conference site include; [McCormick & Schmick's](#), [Stanford's Restaurant & Bar](#), and [Pacific Coast Marina Fish House](#) just to name a few. One thing is for sure you will run out of free time before you run out of things to do or places to eat in the Portland area. To explore the many possibilities go to the official tourism web site listed above and check out many possibilities for burning up free time you find in your busy conference schedule. See you in Portland! John Fisher

## Versata teams up with Artemis for joint Customer Forum / User Conference

Versata Software will be joining forces with Artemis International Solutions Corporation for a joint Customer Forum / User Conference on August 19th thru August 22nd 2007. This year's conference will be held at the Portland Marriott Waterfront in beautiful Portland, Oregon. Representatives from Versata's core software solutions and vertical industries will be presenting forthcoming product roadmaps, customer solutions, software demonstrations, and interactive discussions on future growth, direction and opportunities. It is anticipated that the unified Versata and Artemis executive sponsorship will benefit customers from both organizations and provide opportunities to learn about other software and solutions that may be beneficial to their organization.

We welcome Versata's participation in this year's conference and look forward to meeting additional software users of Versata in Portland. For more information about Versata's software solutions and vertical industries, please visit <http://www.versata.com>.

## Calendar of Events

**NOW: Registration**

**July 6th: Scholarship return deadline**

**July 17: Hotel DISCOUNT rate deadline**

**August 18th & 19th: Training days**

**August 20th-23rd: Main event**

## Open Positions on the AUA Executive Council

Ken Keith, President

We will be voting on the two open positions on the AUA Executive Council at the 2007 AUA Conference. These positions are for two year terms beginning in January 2008 and require a letter of confirmation stating your company's willingness to sponsor you in the AUA activity for this two year term. The positions of President and Secretary / Treasurer are very important and challenging positions.

Are you interested but not sure that you are qualified to serve on the council? The qualifications are very simple. You need to have the desire to support the Artemis products and support the many users of these products. As a board member you are a spokesman for all of the AUA users. You may not use all of the Artemis products, but you will still support those that use products other than the ones that you use. Each activity at the conference is looked at by council members to insure that there is something for everyone at the conference. It is important that you be sensitive to the users needs and solicit their ideas for the users conference..

### **PRESIDENT**

- Submit yearly corporation taxes.
- Prepare Agendas for all meetings of the Executive Council and all meetings of the Members.
- Ensure that ARTEFACTS is issued at a periodicity as determined by the Executive Council.
- Coach Chapter Chairs periodically so they know exactly what their responsibility is.
- Present to National AUA the status of the AUA.

### **SECRETARY/TREASURER**

The Secretary function:

The Secretary/Treasurer shall record all votes and the minutes of all proceedings in a book to be kept for that purpose; shall give, or cause to be given, notice of all meetings of the Members and special meetings of the Executive Council as required by

these By-laws; shall be custodian of the corporate records; shall act as liaison for the Executive Council in communicating with the Chapter Officers and committee chairmen; shall be responsible for the electoral procedures and validation of ballots at each annual election; and shall perform such other duties as may be prescribed by the Executive Council or President, under whose supervision he/she shall be.

The Treasurer function:

The Secretary/Treasurer shall have the custody of and be responsible for all Corporate funds and securities; shall keep full and accurate accounts of receipts and disbursements in books belonging to the Association; shall deposit all monies and other valuable effects in the name of and to the credit of the Association in such depositories as may be designated by the Executive Council; shall disburse the funds of the Association as may be ordered by the Executive Council, taking proper vouchers for such disbursements; and shall render to the President and Executive Council, at the regular meetings of the Executive Council, or whenever they may require it, an account of all transactions as Treasurer and of the financial condition of the Association. The Secretary/Treasurer shall develop proposed annual budgets and present same to the Executive Council for approval.

Treasurer's Bond:

If required by the Executive Council, the Secretary/Treasurer and any Assistant Treasurer shall give the Association a bond in such sum and with such surety or sureties as shall be satisfactory to the Executive Council for the faithful performance of the duties of office and for the restoration to the Association, in case of death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in his/her possession or control belonging to the Association. Such bond may be paid for out of the funds of the Association.

# Artemis Users Association Scholarship Information

The Executive Council of AUA is pleased to announce we will be awarding two (2) \$1,000 scholarships this year.

## Instructions

---

1. Please print or type all information.
2. If any requested information is not applicable, please indicate in the appropriate spaces.
3. "Applicant" refers to the student applying for the scholarship.

## Attachments

---

1. Current ACT or SAT scores (high school applicants only).
2. Current high school or college transcripts.
3. Current letters of recommendation (2) from teachers or educators familiar with the applicant's scholastic achievement and character.
4. Current letter of recommendation from an individual in the community who can provide information regarding the applicant's character, achievements in civic and potential in leadership and civic affairs.
5. Hand-written or typed essay on the topic "I Can Make a Difference."
6. List of community and/or extra-curricular activities.

*NOTE: Any omission of the above six attachments will automatically disqualify the applicant.*

## Certification

---

The applicant, by signing, certifies that the information in this application is true and correct.

The applicant understands the application and attachments will be reviewed by the Scholarship Committee and that any misstatement or omission will result in the revocation of consideration or award.

The applicant understands all information will be reviewed only by the Scholarship Committee and only the award winners will be announced at the Annual AUA Conference.

Each applicant will receive a letter of response, confirming their participation.

## Dates To Remember

---

- June - Completed applications and all attachments must be **postmarked no later than June 15, 2007** and mailed (not faxed) to the president of the Artemis Users Association (see bottom of application section for address).
- July - The Scholarship Committee determines the finalists. These finalists may be contacted by a member of the Scholarship Committee for a brief telephone interview.
- July - The winners are selected and notified.
- September – The winners are announced at the Annual AUA Conference. The winners need not be present at the conference, but understand their names will be announced to the attendees.

## 2007 Artemis Users Association

# "Silent Auction"

One of the highlights of the AUA Conference is the Silent Auction.

Why?

Because it's so much fun and the monies go to support such a good cause; AUA Scholarship Fund.

There are several ways you and/or your organization can help support the students:

1. **Donate an auction item...** Baskets of home state items, digital cameras, handmade quilts, crafts, the ever popular aircraft models, astronaut-signed shuttles, holiday items, wine baskets, shirts, jackets, and hats...just to name a few suggestions

2. **Shop at the auction... BID OFTEN AND BID HIGH!**

3. **A 50/50 Drawing will also be held at the Conference**

If you have questions, please contact me at 661-277-6695 or [shelly.menke@lmco.com](mailto:shelly.menke@lmco.com).

See you in Portland!

**Shelly Menke**
